

HAL QUINN
President & CEO

August 28, 2017

The Honorable Ryan Zinke
Secretary of the Interior
U.S. Department of the Interior
1849 C Street, NW
Washington, D.C. 20240

Dear Secretary Zinke:

Thank you for convening the Critical Minerals Roundtable to discuss the growing need for mineral commodities and the challenges to mineral development in the United States. Our members were very impressed with the team you have assembled to support your leadership and to advance President Trump's vision and agenda for growing the economy and creating high-wage jobs. It was clear from the questions posed by your team that they came to the discussion well-prepared and with a real sense of purpose.

I trust the information and insights we shared during the Roundtable provided an actionable course for moving forward to shape policies that will allow the U.S. mining industry to perform to its full potential for the benefit of the nation. As we look across the President's policy agenda for manufacturing, infrastructure, defense and energy, U.S. mining serves an indispensable role at the front-end of the supply chain.

We fully understand that pressing matters arising last week precluded your participation as originally planned. We are grateful for your acceptance of our invitation to address the National Mining Association's membership on October 3 in Washington, D.C.

Sincerely,

Hal Quinn

Thank you letter from NMA on the Critical Minerals Roundtable attached. Secretary has agreed to speak at their fall BOD meeting on October 3rd (the date is wrong in his email) taking place in DC. Catherine and Gareth - I'll let you share with Cason and Bernhardt. And Rob I assume you want to note this in your system as received. Thanks!

Do you have a photo that I can use for the program.

Thank you very much.

Thanks

How do you want to tell the participants that the Secretary is no longer coming and the meeting will be with the Deputy? (Secretary will be in Missoula with Sec. Perdue to visit Lolo Natl Forest wildfire there)

Could you add Bernhardt to the roundtable on Thursday? He will need to leave at 2:30 for a 3pm at EEOB.

Thanks
